THE DIGITAL DEPARTMENT

We are proud to present:

Trust the Cloud

Created by Phanta Visual in collaboration with Mulder Montage,
Publi-Air, Studio Stomp and the Hogeschool van Amsterdam.

The artwork transforms a riveting experience into a brief digital moment.
After taking an escalator up several meters, visitors are invited to jump into
an inflatable cloud of light.

TRUST THE CLOUD

We will launch the artwork the 17th of September 2014.

Location: Zuiveringshal

Time: 17.00 - 20.00
